For reasons of solidarity, we are keeping the minimum price for an overnight stay low. However, the cost reality for one night / person is 65 CHF in the beautiful Casa Sasso. The fact is: We need money to be able to continue to run this house on a voluntary basis: We are happy and grateful if you pay more than the minimum rate. If you can do this.

For ecological reasons, we ask all guests to bring their own bed linen or sleeping bag for short breaks of up to 3 nights. Bed linen is only rented from the 4th night onwards. Please wash them yourself and hang them out to dry in the loggia.
